Assembly Instructions

GSC20

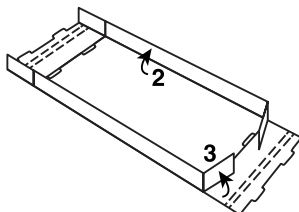

Lid Assembly

1. Ships flat.

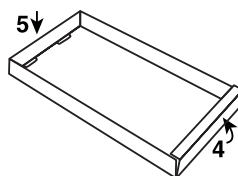

2. Raise sides.

3. Push in end flaps.

4. Raise ends.

5. Press into notches.

Base Assembly

1. Begin with the inside of the box facing you; fold at all seams and punch out handles.

2. Lift and fold both long sides ensuring that flaps are folded inward.

3. Lift and fold left short side up and over flaps. Lock into place.

4. Lift and fold right short side up and over flaps. Lock into place.
