

Wyalusing Camping Information

Facilities

There are two family campgrounds with 109 individual campsites as well as a modern indoor group camp and a group tent campground.

Reservations

Reservations are accepted for all of the family and outdoor group campsites. To make a reservation, call the toll-free reservation line, (888) WI-PARKS ((888) 947-2757) or use the Internet at wiparks.net. Reservations are accepted up to 11 months in advance of the start date.

Group Camping

There are two group camps. The outdoor group camp has five sites with a capacity of 140 persons. The Hugh Harper Indoor Group Camp has a capacity of 108 persons and consists of four dormitory buildings that house 27 persons in each, and a main lodge with fully equipped kitchen and dining facilities. Groups must furnish their own food and bedding. Reservations for the camp may be made one year in advance.

Electricity

Electrical outlets for campers are provided at several campsites in the Homestead and Wisconsin Ridge campgrounds.

Showers

Showers for all campers are in the Wisconsin Ridge and Homestead campgrounds.

Dumping Station

A dumping station for camper holding tanks is along the entrance to the Homestead campground.

Firewood

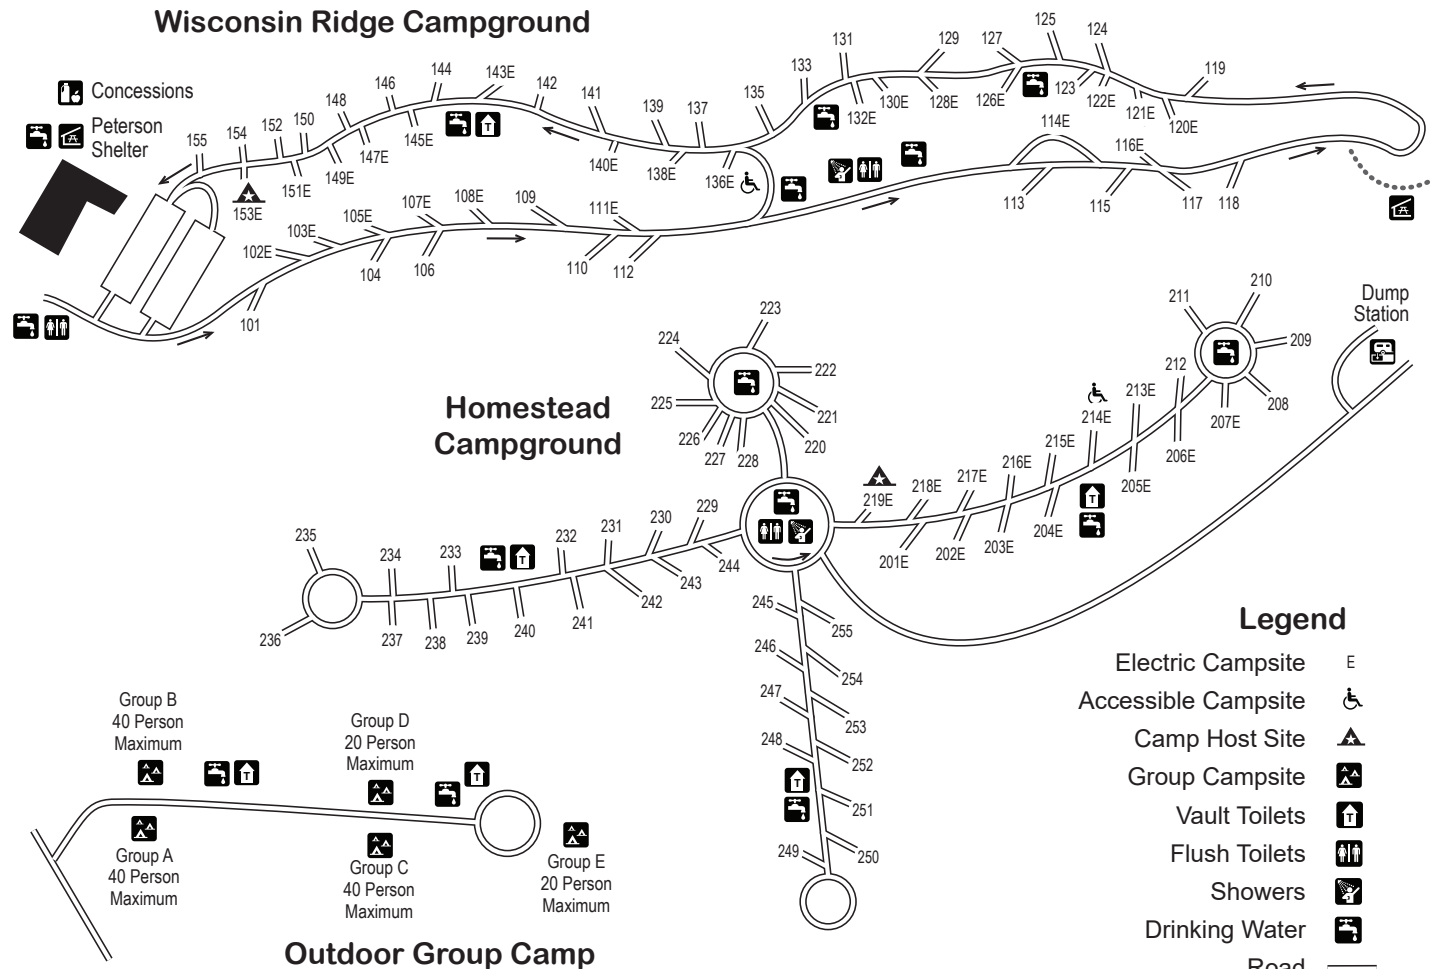

Firewood can be purchased at the park concession stand.

Fees

Fees are required for admission, camping, electricity, and advance registrations. For a listing of current fees, ask for a copy of the *Visitor Information Guide* brochure at the park office.

Laundry

Laundromats are located in nearby Prairie du Chien and are open 24 hours a day.
