

Blue Mound State Park Management Alternatives Public Input Form

The Wisconsin DNR has developed management alternatives for the Blue Mound State Park Master Plan. Management alternatives are options or concepts the department is considering for recommendation in the draft master plan.

The management alternatives document is available to view and download on the DNR Property Planning website, dnr.wi.gov, search keywords "property planning." Hard copies are also available to read at the Blue Mound State Park Office and Friend's Shelter.

Please share your input on the reverse side of this form and send to the address below.
